DAY 1 / CENTRAL PEST

Pest and the Danube

MORNING

Start near St Stephen's Basilica, then take a short coffee break before heading towards the river. Visit the interior only if the posted hours fit your day.

AFTERNOON

Follow the Danube-side route towards the Shoes on the Danube Bank and Parliament exterior. Treat the memorial respectfully and plan Parliament interior only if you secured an advance ticket.

EVENING

See Chain Bridge from the Pest riverbank, then choose dinner around the central streets. Keep a second bridge-view stop optional if you have energy.

WHY THIS ORDER

Basilica to riverfront to Parliament groups three nearby landmarks without an unnecessary metro hop.

EAT NEARBY

Choose the central Pest streets near the Basilica or Parliament for dinner.

IF THE WEATHER TURNS

Swap the extended river walk for a café and one indoor visit with checked admission.

BOOK OR CHECK

Check Basilica access and Parliament tour availability on official sites.

DAY 2 / BUDA

A slow morning on Castle Hill

MORNING

Travel to the Castle District and begin with Fisherman's Bastion viewpoints and Matthias Church exterior. The hill is cobbled: take breaks and choose the least steep approach for your group.

AFTERNOON

Walk through the Buda Castle precinct, choose a single museum or gallery if desired, and take a proper seated lunch or coffee break.

EVENING

Watch the city lights from the Buda bank or return to central Pest for an easy dinner. A river cruise is an optional booked alternative.

WHY THIS ORDER

Stay on the Buda side for the day instead of repeatedly crossing the river.

EAT NEARBY

Eat in or below the Castle District; check opening before walking to a particular venue.

IF THE WEATHER TURNS

Replace long outdoor viewpoints with one Castle District interior and nearby café.

BOOK OR CHECK

Some Bastion terraces, church and museums charge separately; check before entering.

DAY 3 / CITY PARK

Boulevard, park and warm water

MORNING

Ride along Andrassy Avenue to Heroes' Square. Pause for architecture and a café rather than trying to visit every museum.

AFTERNOON

Walk City Park. If you want a bath, reserve a suitable Széchenyi visit and allow time for changing and lockers. Otherwise choose a museum or park stroll.

EVENING

Return to central Pest for dinner. Choose a ruin bar only if you want an adult nightlife stop; it is not part of the core plan.

WHY THIS ORDER

The avenue and park form one straightforward corridor, leaving the afternoon flexible.

EAT NEARBY

City Park or Andrassy Avenue cafés work without a cross-city detour.

IF THE WEATHER TURNS

Use a park-side museum or indoor café instead of extended outdoor walking.

BOOK OR CHECK

Verify bath opening, current entry conditions, suitability and ticket price before buying.

DAY 4 / CENTRAL PEST

Market, streets and a farewell

MORNING

Visit Great Market Hall if it is open on your day. If not, choose a local bakery and a shorter food walk instead.

AFTERNOON

Explore Jewish Quarter streets and their history; select one museum or synagogue visit only if its current timetable suits your day.

EVENING

Finish with an unhurried meal, then return to a favourite Danube viewpoint. Leave time to prepare for departure rather than squeezing in another paid tour.

WHY THIS ORDER

Market and the nearby inner-Pest streets work as a last-day cluster.

EAT NEARBY

Select a verified restaurant in the inner districts and reserve ahead if necessary.

IF THE WEATHER TURNS

An indoor exhibition or café replaces a long street circuit.

BOOK OR CHECK

Confirm market closures and synagogue/museum visiting rules for your actual date.
